Wise Owl Council Meeting minutes 26.3.26

- We began with an ice breaker activity – ‘What animal would you be?’ We got lots of interesting answers!
- Then, we celebrated our recent successful Hot Chocolate Fundraiser which made an exciting £148.10 to put towards our upcoming Wise Owl Wellbeing Whole school Day.
- The Wise Owls all took surveys in their classes this week about our playground equipment. We shared the ideas from our peers and decided on a list of key things we would like including more outdoor storage spaces for games. These surveys have been shared with Ms Macleod.
- Next, we looked over the ‘Child code of conduct’. We split into groups and reviewed the code. Then, we adapted it and created a poster with our new code on it which we will upload to our school website.
- Finally, we planned activities for our whole school wellbeing day.
- We ended our meeting with some mindfulness colouring.

Actions for next meeting:

- Plan the wellbeing day.
- Plan a STEM open day.
- Audition for EGT.
- Liaise with the town hall for a trip.
